

# WEST VIRGINIA ACC GUIDELINES - LUNCH SEMINAR SERIES

## VIRTUAL, LIVE, MONTHLY EDUCATIONAL SERIES

SECOND THURSDAY OF EVERY MONTH FROM 12:00 PM-1:00PM

WILL INCLUDE VARIOUS TOPICS FEATURED IN THE WV ACC GUIDELINES FROM EXPERT PANEL MEMBERS

# Rational Drug Therapy Program

## LUNCH AND LEARN COURSE INFORMATION

### Why is this important?

ADHD is one of the most common neurobehavioral disorders in children. The prevalence of ADHD in West Virginia is much higher than the national average. There has been shown to be a shortage of mental health professionals in the state and an overall need for clinician education on evidence-informed evaluation, diagnosis, and treatment of ADHD.

### Grant Support

This program is supported by the Health Resources and Services Administration (HRSA) and Centers for Disease Control and Prevention (CDC) of the U.S. Department of Health and Human Services (HHS) under grant numbers B04MC45252 (Maternal and Child Health Services Block Grant to the States) and NU17CE925014 (Overdose Data to Action) respectively. The information, content, and/or conclusions are those of the author(s) and should not be construed as the official position or policy of, nor should any endorsements be inferred by, HRSA, CDC, HHS, or the U.S. Government.

## Addressing Nutrition Implications for Children with ADHD

**Judy Siebart** - RD, Clinical Dietitian, **Jennifer Ludrosky** - PhD, Associate Professor,  
**Treah Haggerty** - MD, Professor

### Registration and Zoom Link:

May 8, 2025

### Target Audience

This **FREE** program is designed for physicians, physician assistants, psychologists, nurses, nurse practitioners, social workers, residents, and students.

### Following this series, participants should be able to:

- Describe and/or summarize WV ACC Guideline recommendations for evaluation, diagnosis, and treatment of ADHD and comorbid concerns
- Relate WV ACC Guideline recommendations to actual clinician practices in West Virginia through various related topic discussions
- Discuss ADHD and comorbid conditions and how to implement strategies to improve patient outcomes through implementation of evidence-based recommendations.

## Continuing Education Credit:

The West Virginia University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the West Virginia University School of Nursing for 1.2 contact hours. The West Virginia University School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule § 19CSR11-4 under provider number 50-26086

This continuing education activity has been approved for 1 hour of Social Work continuing education through Provider Number 490038(WVU Department of Behavioral Medicine and Psychiatry.)

This training is approved by the State of West Virginia Board of Examiners of Psychologists for 1 continuing education hour.
